

Picnic in the Park

(CELEBRATING THE SUMMER SOLSTICE)

21st June 2014

4.00pm 'til 10.30pm

We are inviting all residents of North Luffenham for a community picnic.

Why not come along to the Oval and have some fun and meet friends old and new.

Bring your own food and drink as this is not a commercial event

We will provide a number of gazebos and BBQs for communal use, or bring your own.

During the afternoon, you can play games or just sit and chat or just chill out to some good music.

This is a "free" event, but contributions to a charity will be collected on the day.

**If you can help on the day, please contact:-
Colin Heasell on 720059 or
heasellinrutland@btinternet.com**

Let's have a great, memorable, fun afternoon and get some community spirit going in the village.
