

## WHO ARE WE?

The Peterborough Business Support Group is a committee of local business people dedicated to raising money to help fund the work the NSPCC does with vulnerable children in the Greater Peterborough area.

For over 22 years, the group has been organising events to raise funds for the NSPCC Peterborough Service Centre located on the Flag Business Exchange. Services directly help over 300 children and their families each year who have been affected by sexual abuse. In addition, it is a place where we can train volunteers to help school children understand what abuse is and how to keep safe.

Throughout the year other events include a race night, quiz night, golf day and flagship "Strictly Come Dancing" event with live performers from the BBC TV Series.

All the work we do is voluntary and, while it's often a lot of fun, it's also a lot of hard work! For that reason, we appreciate every single penny that is donated to the Group and can assure you that it's all spent on helping and supporting young people.

## LAST YEAR WE:

- Reached over 9,300 children in Peterborough through or "Speak out, Stay safe" NSPCC schools service.
- Worked directly with over 170 families at our Peterborough NSPCC service centre.
- Helped over 1,000 children in Peterborough through NSPCC's Childline helpline.

**Together we can reach even more children this year, thank you for supporting The NSPCC in Peterborough.**
