

# RCWS Volunteers Week

## Rutland

### Free Webinar Series

Tuesday 2nd June 2.30pm

#### **Telling Your Story**

Finding a way to tell your story is fundamental for the success of every group.

This webinar will help you look at the elements of telling your story, and explore ways to communicate verbally and digitally to clearly engage with your audience.

Craig McDougall from Broken Physics Video production team will be here to help us in that process.
