47/20 Field Gardens Report - Cllr Cade

- Allotments; It was noted that there was plenty of interest for allotments at present and that there was now a waiting list
- Woodland Walk; A suggested circular walk route had been pre-circulated showing the walk staying the field side of the hedge along Edith Weston Road and then by the allotments at the top of Pinfold lane and then behind the houses of Geoff Sewell Close before joining up with the path by the lower allotments. 5 emails had been received by residents raising both privacy and security concerns. There were also concerns from the allotment holders about dogs walking through. There were also concerns, in particular, regarding privacy, expressed by parish councillors and in view of these concerns it was agreed that Cllrs Smith, Cade and Sewell along with Mike Wyatt would meet in the very near future and review possible alternate routes that would not have the same issues. It was noted that there would be some financial cost whichever route was decided upon.
