

Local Plan Paper Copy

Would you like to know what the new Local Plan is proposing. Rutland County Council (RCC) prefers that you view it online but not everybody has access or is confident in using a computer. If you would like to view a paper copy this can be delivered to you and collected after 24 hours.

To arrange delivery please contact the parish clerk on 01780 408288 or if you have somebody with access to email than the contact is clerk@northluffenham.org.uk

The Parish Council will in the near future be delivering a leaflet giving more information on the impact the proposed Local Plan will have on the area and, if you agree, suggested comments that you could make about the soundness and justification of the Local Plan.
