Fika Saturdays

Our regular monthly ‘Fika Saturdays’ at the Village Hall on the second Saturday of every month got well underway in July and it was lovely to see so many familiar faces. It would be even more splendid if more of you popped in who maybe haven’t been to hall the yet or met many people in the village. It would also be good to see more youngsters pop in (you don’t need to bring a parent 😉) for a piece of cake - we also provide alternatives to caffeine! We have board games, the jigsaw and book exchange and there has been a suggestion of Lego and construction kits being available - if the demand is there we will try to accommodate 😊

Remember, Fika means making time for friends to share a cup of coffee (or tea) and a little something to eat - what’s not to like!
The August Fika Saturday will be **Saturday August 14thth 11-1pm**
