

Local Green Spaces

Never heard of them?

As the name suggests they are areas that local communities value and wish to preserve; an obvious example in North Luffenham is The Oval.

The Village Survey of 2017 showed that the general environment, with its views of the surrounding countryside, was highly valued. This was further supported by the 2020 survey.

North Luffenham Parish Council initiated a Neighbourhood Plan in 2020 and a significant aim of the plan was to find aspects of the parish that were highly valued by the residents.

Based on the surveys, the Parish Council has proposed a number of Local Green Spaces (LGS) with the aim of protecting these areas.

The Parish Council would like your opinion and comments on the proposed areas and there will be a consultation on the village website [North Luffenham Village Website](#) from Saturday 20th November.

There will also be an exhibition in the Community Centre on:

- Thursday 25-11-21 6.30 pm - 8.30 pm
- Tuesday 30-11-21 2.00 pm - 4.00 pm
- Saturday 11-12-21 2.00 pm - 4.00 pm.

Members of the Neighbourhood Plan Steering Group will be present to answer questions and listen to your comments.
